Dear Manager,

The Alaska Recreation and Parks Association is hosting the annual “2010 ARPA Conference and Expo” September 22 to 25 in Seward. Parks and Recreation professionals and enthusiasts from all over the state of Alaska will be attending this four-day conference.

Seward Parks and Recreation Department has teamed up with several organizations to host this educational and recreational conference. Participating organizations include the National Parks Service, United States Forest Service, AVTEC, Kenai Peninsula Borough School District, Seward Senior Citizen Center, Alaska Sealife Center, Seaview Community Services and the City of Seward.

The culmination of the 2010 ARPA Conference will include a social networking dinner as well as a silent auction. The proceeds from the silent auction will benefit the Alaska Recreation and Parks Association scholarship fund. This scholarship fund helps people in Alaska gain the knowledge they need to provide all Alaskans fulfilling parks and recreational opportunities and experiences.

At this time, we are seeking silent auction donations for this event. The 2010 ARPA Conference would be an excellent opportunity to spotlight your business to recreation supporters from all over the state of Alaska. In return for a donation, we would place your logo and add your business’s name to all silent auction materials prior to and at the actual event. Contributions are tax deductible. Any help that you could provide would be greatly appreciated!

Thanking you in advance for your support!
